

## Coronavirus Disease 2019 (COVID-19)

[I Had COVID-19, But No Symptoms. When Can I Be with Others?](#)

No sound. Silent video.

I had COVID-19, but no symptoms.... When can I be with others?

You can be with others after: 10 days have passed since test and ...

You can be with others after: You continue to have no symptoms

You can be with others after: You can be with others after: Enjoy time with others while practicing everyday preventive actions
